

The California State Board of Health having on March 3d investigated the water system of Lodi notified the Board that a domestic water supply permit was required by the statutes whereupon the following resolution was introduced:

RESOLUTION.

RESOLVED, By the Board of Trustees of the City of Lodi, of San Joaquin County, that pursuant and subject to all of the terms, conditions and provisions of Chapter 373 of the California Statutes of 1913 relating to domestic water supplies, application by this municipal corporation be made to the State Board of Health of the State of California, for a permit to continue to furnish "water for domestic uses or purposes" to the inhabitants of the City of Lodi, a municipal corporation of the sixth class, that the President of the Board of Trustees of said City of Lodi be and is hereby authorized and directed to cause the necessary data to be prepared, and investigations to be made, and in the name of said City of Lodi to sign and file such application with the said State Board of Health, it being understood that all expenses of the investigations which may be made under the supervision of the said State Board of Health and the expenses of all hearings which may be held by said Board shall be borne and paid as they accrue by this City of Lodi, as provided in Section 2 of said Act.

Trustee Keeney moved, seconded by Trustee Deaver, the adoption of the resolution as read. The motion carried by the affirmative votes of all members present.
